### ACKNOWLEDGEMENTS

I would like to thank all at The Bermondsey Project space for giving me a wonderful opportunity to exhibit this series. Special thanks to Jeremy Levison of *Levison Meltzer Piggott* for his generous sponsorship.

Plastic Eyeballs is a show about collective, obsessive excessiveness.

*'If you're trying to keep your feet in the year 2020; in the age of information overload, you're thrust into a complicated and aggressive stream of disposable simulacra, and promiscuous superficiality.'*
