*Pylon*  
oil on canvas | 91 x 61 cm

# ANGELA RUMBLE

## *TREESCAPES*

29 October - 5 December 2020

Angela Rumble creates treescapes which gradually lose their treeness. She explores the tension between the sterile nature of digital images and the stubbornly hand-made quality of painting. Printmaking and collage techniques are used to obscure and uncover areas, further adding to the sense of disorientation. She sets herself obstacles; drawing round shadows, building up and peeling back layers to reveal the spaces between the tangled confusion that is the forest.
