INTERSTICE

Bensley and Dipré are back for their second solo show at Bermondsey Project Space, *INTERSTICE*, a collection of works that further stretch and explore the interplay between materials and disciplines.

The show will include large scale cyanotypes and clusters of figure studies from the studio.

Nicola Bensley and **David Dipré** are a collaborative duo, working predominately with film photography and paint.

*All works in this exhibition are available for sale.
Please contact the Gallery for further details.*
